

waxed shoelaces – ELEGAN

Waxed laces are suitable for elegant women's and men's walking shoes. They are made of high-quality and durable materials such as cotton or polyester. These laces not only fulfil a practical function but are also a decorative element that enhances the elegant look of a formal shoe. As standard, we produce 10 shades of round but also flat laces and any length. We can produce the desired shade of lace at the customer's request. We use celluloid tape to end the laces.
